

English

Writing a flashback narrative

This will be inspired by a film linked to our Science topic. It will focus on consistent use of tenses, cohesion between and across paragraphs, complex sentence structures including phrases, clauses, relative clauses, using colons and semi colons. We will read short stories and magpie language and vocabulary from established authors.

Mathematics:

- Property of shape including angles
- multiplication and division (short and long)
- Algebra
- Ratio

History - Changes in Children's lives since the Industrial Revolution- continuation

- Looking at sources of evidence
- Life as a maid
- Important discoveries

If life was so hard in the towns, why did so many people move there?

- Samuel Coleridge Taylor

French

Continuation of "Ma maison"

The children have learnt the names of the rooms and some objects found in a house.

Using "Dan Paris Il ya" as a stimulus the children will write their own version of the story.

Science

Light and Shadow

We will be exploring about the relationship between light and shadow and how it can be manipulated to make shadow puppets.
