

English:

Fiction writing: linked to history:

•Children will be reading, planning and writing a 'Time Slip' narrative based around our Year 5 trip to Whitehall earlier in the year, using topic knowledge from History lessons and our class novel Diver's Daughter

William Shakespeare, Macbeth and the Tudors

Drama and play scripts, focusing on William Shakespeare

Mathematics:

Number - Decimals Continued; Recognise and use thousandths and relate them to tenths, hundredths and decimal equivalents. Solve problems involving number up to 3 decimal places.

Read, write, order and compare numbers with up to 3 decimal places.

Negative Numbers; Interpret negative numbers in context, count forwards and backwards with positive and negative whole numbers, including through zero.

Measurement - Converting Units; Convert between different units of metric measure [for example, **km** and **m**; **cm** and **m**; **cm** and **mm**; **g** and **kg**; **l** and **ml**]

Understand and use approximate equivalences between metric units and common imperial units such as inches, pounds and pints.

Solve problems involving converting between units of time.

Volume; Estimate volume and capacity using cubed blocks and using water.

RE:

Freedom and Responsibility

An opportunity to reflect on whether we live by God's rule of love and consider the Sacrament of Reconciliation.

Other Faiths: Islam

Stewardship

To know we are part of God's creation and we are dependent on it. Children will learn that caring for creation is part of caring for ourselves.
