

## RE:

### Pentecost/Servant

We will discover how the spirit of God is present in each one of us. We are called to recognise God's particular calling for each one of us and to allow the Holy Spirit to strengthen us in the challenges we face.

## PSHE:

### Rights and Responsibilities

topical issues concerning health and wellbeing; rules and laws; the precedence of human rights over other laws, practices and traditions; consequences of anti-social behaviours; rights, responsibilities and duties; resolving difference, making decisions and choices.

SRE programme

## English: Poetry of Benjamin Zephaniah and The Highwayman Alfred Noyes

Pupils will infer writers' perspectives from what is written and from what is implied. They will compare the usefulness of techniques such as visualisation, prediction and empathy. When writing they will adapt sentence construction to different text-types, purposes, readers and roles.

They will learn a range of poems by heart..
