

St Mary's Junior School Sports Grant

2013/2014 and 2014-15

At St. Mary's Catholic Junior School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2013. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At St Mary's we have decided to spend the Sport Premium Grant on the following:
