Evidencing the Impact of the Primary PE and Sport Premium - Academic Year 2018/2019

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

This document will help review the school's provision and report spending. It looks at the 5 key indicators across which the school should demonstrate an improvement. Those indicators are:

- 1) The engagement of **all** pupils in regular physical activity
- 2) The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) Broader experience of a range of sports and activities offered to all pupils
- 5) Increased participation in competitive sport

*Please note the Grant for **2018/2019 is £17,795**. Grants are paid in 2 x installments during the academic year
1st installment, £11,305 received in November 2018 (financial year 2018/19) and £8,062 received in June 2019 (financial year 2019/2020)*
