### *A message from Mrs Hulme:*

Dear Parents and Carers,

Welcome back to a new second half to the autumn term- a very busy one again.

We were pleased to celebrate All Saints Feast Day at the start of the week and return in full to our community churches whilst Fr. Jim celebrated Mass at the Infant School.

The parishioners were all pleased to see the pupils attend and remarked on their reverence.

Hopefully you will have noticed our addition of solder silhouettes in front of each school to remind us that November is for remembering the service people who have and continue to give their lives to our country.

Thank you already to the parents who have been into each school for workshops and meetings this week, this is a valuable way to support our children together.

Our term will continue to be busy with lots to fit in during November before we head into the Christmas preparations- the carols can be heard already with the planning for events well under way. Huge thanks for the many donations that came into school today varying from uniform items to gifts for the Christmas Fayre.

### **Spirituality**

Y3 and 4 attended All Saints' Day Mass at Holy Cross parish this week, while Y5 and Y6 to Our Lady of the Rosary in Sutton. The children were very prayerful and we were congratulated by the parishioners on their lovely behaviour and participation.

We are beginning to learn about the special teachings of our church which influence the choices we make every day. This half term, we will focus on Human Dignity, and the children have heard about this in an assembly. Over the next few weeks, we will share more stories about dignity, see what scripture says about it, think about what saints and the Popes have said about it, and then consider what that might mean for us in school. We have some animal friends to help us remember these principles of Catholic Social Teaching, and Luc the Deer reminds us of our human dignity, given to us by God when we were created in His image.

### Sports News

The boys came up against a tough team this week, playing Barrow Hedges. The football team played really well together and worked hard against very difficult competition. Unfortunately, the game was not a win for us, but we played really well and we will move onto the next game working even harder! Well done to everyone who played and thank you very much to all the parents and family members for their support.

On Wednesday, we played our first netball match of the season. A selection of girls went to Seaton House and played in a tournament, taking on a variety of schools. The girls drew two games and lost two games, but played so well together, especially for their first ever game. We are very proud of all the girls who took part, well done!
