Please can parents/carers collect all medicines, asthma pumps, epipens, etc. from the school offices before the end of the school term

A message from Mrs Hulme:

Dear Parents and Carers,

Once more, it has been a pleasure to see many parents coming into school this week for a variety of events to include; Yr. 2 end of topic celebration, Myband concert at the juniors, stay and play sessions for EYFS.

The comments from each family echo those from school, in as much that this is what we want to be happening once more, seeing our children in the school environment, celebrating their achievements.....weather conditions permitting - more to come next week.

We had hoped to be sending school reports out this week but due to many staff days of sickness in the last couple of weeks this will now happen on Monday. Following on with the success of last year, these will come through Google platform electronically on a timed system from 3 pm onwards.

Yr. 2 and Yr. 6 will come as a hard copy and will include the end of Key Stage assessment data. Please contact the class teacher via the school office if there is anything that you wish to discuss before the summer break.

Extreme weather conditions

We are monitoring the situations with regard to the high temperatures next week. The schools will remain open. It is important that each child should bring in its own water bottle every day. We have Yr. 2 Mass planned and the Yr. 6 production. Each of these may need to have alternative plans considered due to safety, we will share these with you once finalised. This may include restriction of numbers or change of timings.

Sun protection

For whole day sun product applications, please be reminded that any that contain traces of nut may not be used in school e.g. those containing almond or coconut oil.

A big thank you to Mr Quinn who joined our morning assembly this week to share his truly inspiring story with us. Our pupils were truly in awe of the amazing dedication and achievements Mr Quinn has shown to running. It is so wonderful to hear about the brilliant achievements of those in our local community and we felt very lucky to hear Mr Quinn's story this morning and thank you for coming to share this.

News for the week

Recognition & Reward

Infant - Stars of the week

5 Elm	Odelia C
5 Sycamore	Milla U
5 Birch	Ellie J
6 Copper Beech	Iris N
6 Oak	Izzy P
6 Chestnut	Faye S

Sports News

Football

On Friday afternoon, a number of girls from Year 5 and 6 took part in a football against Shawley Primary School. The girls played a brilliant game of football and displayed great determination throughout. The game ended 1-1 and we are very proud of all the girls who took part.

Athletics

On Wednesday, we had a fantastic day at Norman Park in Bromley. We took 2 teams over to the track from Year 5 and 6 and the children took part in a variety of running, jumping and throwing events. There were so many fantastic performances and as teachers and parents, we were so proud of every single child who took part. Thank you so much to all the parents who stayed to support and help with the running of events and thank you to all the parents in supporting one another to get the children to and from the event. Our Year 5 team finished 2nd overall and our Year 6 team finished 1st! We are so proud of everyone who took part and cannot wait to do this again next year!

ParkRun

Another fabulous week at parkrun this week! We had new runners taking part, which is brilliant to see! A huge well done to Finley on another 5km parkrun and to Imogen, Miya and Harris on their junior parkrun. We hope to hear of many of you taking part this weekend but do remember to drink lots of water in this hot weather!

Table Tennis

Another mention to our wonderful table tennis players who took part in a table tennis event the other weekend. It is great to see the team working so hard on their skills throughout play and lunch time. A huge well done to everyone who took part!
