

St. Mary's Catholic Federation, Carshalton

Improvement Plan 2019 - 2020

Priority 1. Curriculum

At St. Mary's we embrace the Catholic teaching that Jesus loves us and we should love him. Through this core value we aim to provide a curriculum that empowers all learners to become the best that they can be through engaging, inspiring and innovative learning opportunities which challenge each learner with ambitious targets to aim towards.

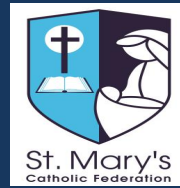

Spirituality: we are learning to love Jesus.

Teaching & Learning: we strive to provide a broad, varied curriculum that promotes curiosity and facilitates individual excellence for all learners, with staff setting ambitious targets.

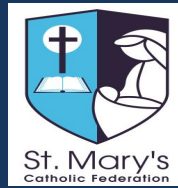

Inclusion: we strive to provide a broad, varied curriculum that promotes curiosity and facilitates individual excellence for all learners, with staff setting ambitious targets.

Innovation: we are developing a unique, inspiring, motivating, innovative, ambitious curriculum which empowers children to make their own choices.

Priority 2. Continued Professional Development

At St. Mary's we know that we are forever growing in the love of Jesus. It is with his love that we are able to foster an environment where every stakeholder can further themselves through purposeful learning, enquiry and creative approaches which target each individual's need to develop.

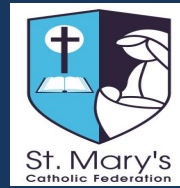

Spirituality: we are growing in the love of Jesus.

Teaching & Learning: we strive to be focused and purposeful through our inclusive and adaptive CPD which aims to enable all stakeholders to reach their full potential.

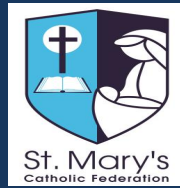

Inclusion: we want to create and foster an environment where stakeholders can follow individual aspirations impacting on the needs of all.

Innovation: we want to empower all stakeholders to use their own interests and expertise to enrich children's aspirations.

Priority 3. Environment

At St. Mary's we develop our understanding of the gift that is our world. We aim to further develop this by providing a safe and stimulating environment across the schools which embrace the beauty of our immediate and local area. We aim to enhance all stakeholder experiences with an enriched school environment.

Spirituality: we are learning and playing in God's world; deepening our relationship with the person of Christ and sharing his love with others.

Teaching & Learning: we aim to provide a happy and inviting environment to support and enable all stakeholders to achieve their full potential.

Inclusion: we aim to provide security to enable stakeholders to remove barriers, allowing us to be adventurous; promoting wonder and excitement.

Innovation: we aim to provide a stimulating and creative environment to enhance childhood experiences to lead on to being life-long learners.
