MISSION STATEMENT

God is at the centre of our Catholic school

This means that:

- each person is recognised and valued as an individual
- each child is encouraged to progress to the best of their ability
- we provide a welcoming, supportive and purposeful atmosphere for learning
- we work together in partnership with the home, parish and the wider community, to prepare our children for life

OUR AIMS

- To ensure that all pupils have the maximum of learning opportunities as a result of outstanding attendance.
- To make attendance and punctuality a priority for all those associated with the school including pupils, parents, staff and governors.
- To provide support, advice and guidance to parents and pupils.
- To implement a system of rewards and sanctions.

- To promote effective partnerships with the borough's School Attendance Officers and with other services and agencies as appropriate

Regular attendance at school is essential to promote the education of all pupils.

The School's ethos demonstrates that children feel that their presence in school is important and that they are missed when they are absent or late. The School will take appropriate action when necessary in order to promote the aims of the policy.

OUR EXPECTATIONS

From pupils:

- they will attend school every day
- they will arrive on time and prepared for the day

From parents:

- they will ensure their children attend school every day
- they contact the office before 9.30am either in person or by phone whenever their child is unable to attend and send a note to the class teacher on return. If a parent is unsure of when the child will return to school, contact should be made with the school office on a daily basis.
- they ensure their child arrives in school well prepared for the school day with homework completed

Pupils and parents can expect the following from the school:

- regular, efficient and accurate recording of attendance and time keeping
- contact from the school when a pupil fails to attend and the parents has not contacted the school within the requested time frame.
- early contact with parents when a pupil fails to attend without good reason
- contact with parents where there is a pattern of absences or an excessive number of absences or lateness. This may be by the class teacher or Headteacher.
- immediate action on any problem notified to us, in confidence if necessary
- positive measures to encourage good attendance
- a high quality education
- support and access to specialist agencies to address issues related to attendance

Whenever any scheduled meeting takes place with a parent, details of their child's attendance will always be made available to them. A registration certificate for the current school year will usually be appropriate for this purpose

-annual reporting of attendance in July for that current school year

- a letter to parents at the end of the Autumn and Spring terms informing them of their child's attendance in the case where it falls below the minimum expectation of 96%.

Any child's attendance falling below 93% is considered to be of serious concern and a meeting may be requested with the Headteacher.

-If poor attendance continue for any child, parents may be asked to provide medical evidence.

- Times when persistent absenteeism or the child appears to be missing from education, the school may feel that a referral to the local authority safeguarding team is required.

Parents Responsibilities

Parents are responsible by law, for making sure that your children come to school regularly and on time, together with other responsibilities such as supporting the school's policy on homework and discipline. (Education Act 2011)

Registration

The Register is taken immediately every morning. It is taken again immediately after lunchtime break.

Any absences require a letter to the Headteacher to seek authorisation, this includes appointments, academic exams and meetings for high school transition, otherwise the absence is recorded as unauthorised in line with Government requirements and will show on your child's report.

Lateness

Pupils arriving after 8.45am at the Junior School & 8.55am at the Nursery and Infant School must report to the School Office so that their attendance can be recorded. If the register has already been taken the office staff will mark the child in accordingly

If a child arrives after 9.20am, the child is classified as absent for that session in line with the revised Pupil Registration Regulations,

This will be considered an unauthorised absence unless a satisfactory reason is given, for example a doctor's appointment with notification/ appointment clarification.

Action to address lateness will be taken in line with the school's strategy to improve punctuality.

Illness

Parents/carers are asked to contact the school on the first day of absence to provide the reason for the absence and an update if the absence is prolonged for more than one day. Parents/carers should also provide a written explanation on their child's return to school. Parents should inform the school immediately if their child has an infectious disease and also if the absence is likely to be more than a few days.

If any member of staff is concerned about a reason for absence, the Deputy Headteacher or Headteacher should be informed.

Medical or Dental Appointments

Absence from school due to a medical or dental appointment will be considered as an authorised absence. Parents/carers are requested to provide written confirmation of these appointments. If appropriate, the child should return to school after the appointment
Parents/carers are encouraged to make all medical appointments out of school hours

RESPONSIBILITY

REWARDS

Children who achieve 100% attendance for each term are presented with a certificate. Children who achieve 100% attendance for the whole year are presented with a badge .

School Attendance Target

Each year the school's Governing Body sets its own target agreed by the LA to minimise overall absence as set out in the Education (School Attendance Targets) (England) Regulations 2005.

School Attendance Service

Whilst the initial responsibility to monitor, investigate and improve individual pupil's poor attendance lies with the school, it must notify the LA if a pupil attends irregularly or is absent continuously without authorisation for ten or more school days. Where this is necessary, the responsibility for any initial or legal action rests with the LA. The E.W.O works closely with the school to resolve attendance issues.
