MISSION STATEMENT

St. Mary's
Catholic Federation

Learning, playing and growing together in the love of Jesus

" Love one another " John 1.

St Mary's is a welcoming school based on our shared Gospel values where we give witness to God's love, knowing that every child is embraced with the **love of Jesus** as they pray, **play** and **grow** together as friends.

Every child is unique and we are proud of our inclusive and supportive **learning** environment, where we celebrate each others' achievements. Children have the opportunity to reach their full potential as we guide them to become life long learners.

We all aspire to do the best we can within God's family, living Christian values and sharing spiritual links with those in our home, parish and wider community.

VISION STATEMENT

Our vision is for life long 'learning' to be at the heart of St Mary's Catholic Federation, Carshalton.

A school where there are high expectations and a striving for excellence in all that we do.

A community where every child, member of staff, parent, governor and visitor is treated with respect and valued as a unique individual in the image of Christ.

A place, which maintains a high level of creativity, enquiry and challenge with a sense of adventure and enjoyment.

ETHOS

We are schools with high expectations and are striving for excellence in all that we do. A community, where every child, member of staff, parent, governor and visitor is treated with respect and valued as a unique individual in the image of Christ.

A place, which maintains a high level of creativity, enquiry and challenge with a sense of adventure and enjoyment.

1. Definition of Terms

This section aims to clarify what we mean by terms as used in this behaviour policy.

Behaviour Management

Knowing one's strengths and weaknesses in terms of behaviour, and developing the strategies to build upon these strengths whilst improving the weaknesses.

Bullying

Repeated verbal or physical abuse to another person with an aim to cause fear or discomfort. This can also arise through preventing an individual from feeling happy, secure, positive or comfortable.

It must be stated here however, that bullying is **not** the case when the behaviour is being produced by both parties, nor when there is a falling out among friends. *See Anti-Bullying Policy*

Consequence

The result of an action, behaviour or conduct.

Strategies are employed to encourage reflection on unacceptable actions. The aim is to lead to a change in behaviour when a similar situation is encountered in the future.

Discipline

Being capable of acting within clear expectations, rules, routines and responsibilities without direct supervision. This needs a degree of self-management that will enable the maintenance of a supportive and purposeful community atmosphere.

Learning behavior

Ability to learn to one's best in all environments eg. resilience, curiosity, reciprocity, creativity; not hinder the progress of self or any other pupil.

Respect

The action that comes with responsibility. It is intrinsically linked to patience, thinking ahead, turn taking and fairness, listening and communicating, self-management and the careful treatment of property. Essentially, the message is one and the same as the Gospel.

Responsibilities

The need to care about oneself, others, belongings, equipment, our school and community

Reward

A strategy employed to encourage.

Review and Repair

Discussion between pupil/pupils and adult to explore reasons for behaviour, consequences of said behavior and strategies to avoid said behaviour in future.

Rights

The needs of each person, balanced with a notion of responsibility to assist others in their needs too.

All staff have read the Gov. D.O.E. guidance "Keeping children safe in education" May 2016, note must be taken of the specific safeguarding issues on P12 of the document (item42).

2. Rationale

For the most part, the children in our school community are lively, enthusiastic and caring pupils, who enjoy the freedom to work and play together without being hindered by other children's actions. From time to time however, people who live in a community will not always agree and difficulties arise. Our aim is to create an atmosphere based on respect, tolerance, consideration for others, co-operation and a feeling that everyone matters.

Pupils will learn from experience to expect fair and consistently applied rewards and consequences, and distinction will be made between serious and minor misdemeanors.

Individual circumstances will be taken into account but consistent standards of praise and consequences will be applied.

We will encourage children to:

- take responsibility for their own actions at all times
- show respect for each other, all personal belongings and school equipment
- inform an adult about any worries and particularly if any form of bullying is occurring
- to be truthful and honest and listen to what others have to say
- find someone to talk to if they feel angry or just need time to calm down
- go to an adult for help if they need it
- act in a way which brings credit to our school
- understand that their parents will be informed if they have behaved continually in an inconsiderate and unsafe way.

3. Equal Opportunities

We believe that it is important to prepare our children for life as citizens in a multiethnic society in which there should be race equality, harmony and an absence of racism. We are committed to tackling all discrimination and to promoting equality of opportunity.

4. Aims

Our aims for behaviour are that children will:

- * develop Christian values that will resonate with them their whole life;
- * be tolerant and understanding, with consideration for the rights, views and property of others;
- * develop a responsible and co-operative attitude towards work and their roles in society;
- * achieve their potential in terms of self-esteem, academic achievement, aesthetic appreciation and spiritual awareness;
- * take a pride and responsible interest in caring for their environment.

Staff will:

- * use positive recognition to motivate pupils to choose responsible behaviour.
- * promote positive behaviour through our R.E., PHSCE curriculum

(adhering to September 2014 government requirement to promote British values)
provide positive examples and attitudes.

To this end we employ a set of school rules and identify rewards and consequences

Nursery and Infant School

Our Golden Rules

We work hard

We listen to people

We are honest

We look after our school
and community

We are kind and helpful

We are gentle

The Infant school operates a simplified age appropriate version of the Junior school's traffic light behaviour scheme using coloured visuals of faces. At the Junior school cards are used to inform the child of inappropriate behaviour - each day all children start on green - yellow and red cards will be issued in accordance to the behaviour ladder. Cards and incidents will be recorded in the behaviour folder. Red card incidents will be reported to parents and staff with concerns for frequent yellow card behavior will also have a discussion with parents. The aim is for all pupils to stay on green because..."It's good to be green!"

Each school has a behavior ladder for clarification when applying the school rules. A hierarchy of staff should be worked through for reporting and supporting children with behaviour issues, e.g. at lunchtime

Behaviour Ladder

Children start each day with their name on the behaviour chart in their classroom on the 'happy' face; the position of their name is moved if necessary to give a visual sign along with a verbal explanation. A Think and Repair map must be completed for any child displaying a behaviour in the 'sad' column.

		
<h3><u>Happy</u></h3> <p>Following our Golden Rules at all times.</p>	<h3><u>Warning</u></h3> <p>Something's not going well.</p>	<h3><u>Sad</u></h3> <p>Something needs to change.</p>

Following the third red face in a half term: pupil spoken with by Senior School Leader, parents may also be invited in to discuss the issues.</p>

Using a restorative approach to solving issues; repair and rebuilding

This is the process by which problems are addressed, and strategies are put into place to prevent similar occurrences from taking place. The following items are to be exercised under the premise of professional judgement. We manage this through our 'Thinking Hats' approach - RED, BLACK and GREEN and a cause and effect map may be used.

Pupil Conference

- Stop and find out how people are feeling.
- Talk about what happened
- Listen to all sides of the problem, each child being able to give an account without interruption.
- Use a thinking map to consider the causes and effects of behaviour.
- Decide on how to move forward.

Time-out

- Children can be removed from the classroom/playground for a period of calming down/reflection under adult supervision.
- This can be outside the classroom, ensuring the pupil remains in sight of the teacher and the time is limited
- Wet play time-out outside the staffroom.

Other methods

- Involve senior teachers.
- Inform parents
- Pupil writes a letter of apology

In extreme cases a child might need more support to conform to the rules of our school. In the Junior school we then use a Behaviour Target Book to help. How long this consequence is used for will vary from child to child.

Parental Involvement

When agreed action has not worked, the problem is discussed with the parents and the child. This discussion is between the class teacher and parent; a pastoral leader may be present.

Conference

Where action involving pupil and parent has not resulted in a cessation of the problem, a conference takes place between the parent(s) and pupil, with class teacher and senior leader (this may include Headteacher) as to the next action that needs to take place.

The Behaviour Folder

The purpose of the behaviour folder is as a record. All classes have a behaviour folder that is used at the professional discretion of the class teacher. All yellow card and red card incidents are recorded as are any repair/rebuild strategies logged. The additional purpose of this folder is to record any parental contacts including acknowledgment letters and any other behaviour related information.

Accurate records are important in gathering evidence should referrals to other agencies be necessary and for data when reporting to the Governing body. The Deputy Head monitors behaviour and this is reported in the Headteacher's report to Governors each term.

Lunchtime Behaviour Mid-day supervisors are treated with the same degree of respect as that given to teachers. This role forms a key part of the school's pastoral supervision that is recognised by all members of our schools.

We acknowledge that time for conferencing and record keeping is limited in the playground. With this in mind we expect lunchtime supervisors to:

- Lunchtime supervisors should be informed of pupils with behavior plans and other vulnerable pupils.
- Intervene positively when behaviour is unacceptable.
- Talk calmly and rationally to children displaying or reported to be displaying inappropriate behaviour.
- Help children to find an interest in the playground - individually or in groups, playing a game or talking.
- Use yellow and red cards / faces as directed in the behaviour ladder and inform class teachers of these.
- Record incidents of inappropriate behavior
- Use thinking hats as a means of mediation.
- Report any allegations of bullying behaviour to the child's class teacher at the first opportunity.
- More serious and persistent allegations must be reported immediately using the staffing hierarchy for behaviour incidents in order for the relevant investigation to be carried out and recorded appropriately.
- Give permission cards to every child who enters the building (except for lunch) and get them back.

Lunchtime supervisors liaise with the senior supervisor; they note down and discuss any incidents that may have occurred with the class teacher each day.

There is a termly meeting between the Headteacher/Deputy Headteacher, and or Line Manager and the lunchtime team to share business, good practice and discuss any concerns.

Protocol for Parents and Carers

We want all of our children to feel safe and secure at all times throughout their school day. Therefore (as set out in the home -school - child agreement) we would ask all parents to support our school ethos, procedures and rules, which are there to benefit and protect all children.

Sometimes a child may come home upset particularly when an established friendship has broken down or if others are being unkind. This can be as upsetting to a parent as it is to the child. Please however, keep an open mind remembering you are only hearing one side, or version, of the story. Respond by making sure your child knows the importance of telling an adult at the school when such an incident occurs e.g. teacher, teaching assistant or mid-day

supervisor. Reassure your child that telling is the proper thing to do. Retaliating or hitting out is only going to get them into trouble and won't resolve their problems so please do not advise them to do this. Remember it is much easier for the school to sort out problems as they occur rather than days later.

If this strategy does not work or parents continue to have concerns then it is important they talk to the class teacher to discuss the matter.

Parents should never approach another child to discuss an incident that may have occurred in school. The matter should always be investigated through the proper school channels and procedures.

If a parent wishes to discuss the matter with a member of staff then an appointment can be obtained by contacting the school office.

Security

In the interests of everyone's safety and for the security of our school's resources it is important that every parent, carer and visitor enters the school via the school office entrance. This also includes the beginning and end of the school day when parents should not enter the building at any other entrance - even when they have an appointment with the class teacher.

The only exceptions to the above are parent evenings, PAR day, assemblies, services and concerts when the front door is open.

Exclusions

For continual unacceptable behaviour or in the case of serious verbal or physical violence the child may be excluded from school. This could take the form of a fixed-term exclusion, or on rare occasions, may take the form of a permanent exclusion. Only the Headteacher (or acting Headteacher) has the power to exclude a child from school. The Headteacher may exclude a pupil for one or more fixed periods, for up to 45 days in any one school year.

The Headteacher may also exclude a pupil permanently. It is also possible for the Headteacher to convert a fixed term exclusion into a permanent exclusion if the circumstances warrant this. If the Headteacher excludes a child she informs the parents immediately, giving reasons for the exclusion. At the same time the Headteacher makes it clear to the parents that they can appeal against the decision to the governing body. The school informs the parents how to make any such appeal.

The Headteacher informs the Local Education Authority (LA) and the governing body about any permanent exclusion and about any fixed term exclusions beyond five days in any one term.

The governing body itself cannot exclude a child or extend the exclusion period made by the Headteacher. For further guidelines, see appendix 1: Guidelines a-e
